

MISSION STATEMENT

LBA Group leverages 60+ years of expertise to empower businesses with innovative technology solutions for safe and efficient electromagnetic applications. We optimize efficiency, productivity, and security for your RF technology and lightning protection needs through trusted partnerships and sustainable growth.

ABOUT

LBA Group is a diverse organization encompassing a range of subsidiaries. Our portfolio includes:

- **LBA Technology, Inc.:** Provides and integrates lightning protection, RF shielding, broadcast and communication systems, and test equipment for global users.
- **Lawrence Behr Associates, Inc.:** Expert consultants and solution providers for intricate radio systems challenges. From design and optimization to troubleshooting and compliance, we help you navigate the complex world of radio technology.
- **LBA University, Inc.:** Delivers comprehensive professional RF, occupational, and general safety training online.
- **LBA OneSource, Inc.:** Makes products and services easily accessible through its e-commerce platform.

With multiple INC5000 awards, CVMSDC certification, and recognition as a North Carolina Top 50 Hispanic minority-owned small business, LBA Group is committed to excellence and innovation in everything we do.

DIFFERENTIATORS

- **Legacy of success:** With 60+ years of experience, we have consistently delivered results as a trusted partner for leading public and private organizations worldwide.
- **Deep expertise:** Unmatched knowledge and experience in RF technologies.
- **Streamlined solutions:** Simplify complexity. Achieve more.
- **Client-centric approach:** Tailored solutions and dedicated support.
- **Commitment to innovation:** Continuously developing cutting-edge solutions.

CORE COMPETENCIES

- RF Safety & Regulatory Compliance Solutions
- Lightning Protection Systems
- RF Shielding Products & Services
- Broadcast and Communication Products and Systems
- Online RF Safety Training & More
- Radio Frequency Test Equipment Solutions

COMPANY DATA

Years in Business: 61
Type: Corporation; Certified Minority Business
UEI: FC71CVNACCT3
DUNS: 15-393-7370
CAGE: 0XWP7

NAICS

Broadcast & Communication Systems

334220 Radio & Television Broadcasting & Wireless Communications Equipment Manufacturing

RF Shielding Products & Services

325510 Painting & Coatings Manufacturing
